

## Confirmation on Language Proficiency

This is to certify that

Ms./Mr.

is enrolled in the study program Social Sciences: Migration and Integration (Bachelor of Arts) as a regular student at Catholic University of Applied Sciences Mainz. This study program is taught in English and the student possesses sufficient proficiency to follow studies taught in English.

This is to confirm that the student has an English level of at least B2.

In the four semesters prior to the year abroad, students are required to study a third language for four hours a week. Ms./Mr. \_\_\_\_\_ has chosen \_\_\_\_\_ as third language and will have studied this language for two years before leaving the country.

I fully recommend Ms./Mr. \_\_\_\_\_ for studies at your university.
